In order to afford distant adventurers the opportunity of renewing small prizes, and to obtain chances for this brilliant prize, the Managers of the *Cathedral Church Lottery* have delayed the Seventh Drawing for two weeks—it will take place therefore on WEDNESDAY AFTER NEXT, the 8th of the Month, when the first drawn number will be entitled to

In a few days thereafter the great Prize of FORTY THOUSAND DOLLARS will be drawn from the Wheels. Our Correspondents are requested to forward on their Orders for Tickets without delay, as from the rapid sales in this very popular lottery the few now remaining will soon be disposed of.—Address

Monument Lottery...The day fixed.

We have the pleasure to announce to our customers and the public, that the drawing of the 4th Class of the *Washington Monument Lottery* will take place and be completed on NEW-YEAR'S DAY.

No inducements can be wanting to encourage and promote the sales of tickets in this small but brilliant Scheme—the object of the lottery, alone is sufficient to elicit the patronage of the American people; but, regarding it in a pecuniary point of view, the despatch with which it is to be drawn, and magnitude of the prizes, are worthy the attention of the adventurer whose fate by the arrangement of the lottery will be decided IN ONE DAY.

THE CAPITAL PRIZES ARE,

\$40,000—\$10,000—\$5,000, &c.

Adventurers should not delay sending on their Orders for tickets at the present price of *Twenty two Dollars*, as they will be considerably advanced should any remain unsold before the drawing.

ORDERS from any part of the United States, (enclosing the Cash, or prize tickets in any of the present or late lotteries) post paid, will meet the same prompt attention as if on personal application.—Address

J. I. COHEN, Jr.

Sec'y to the Managers—Baltimore.

Distant Adventurers

Who purchase from *Cohen's Office*, tickets or shares to the amount of Fifty Dollars, in either the *Cathedral* or the *Monument* lottery will be furnished with the "*Register*," which contains the Managers' Official Lists of all the drawings regularly as they occur. The adventurer at a distance will thus be enabled to ascertain the fate of his tickets as soon as drawn, and also to know the state of the wheel from time to time, as well as other relative lottery information satisfactory to be informed of.

Foreign Items.

A late arrival at New-York from Liverpool, brings London dates to the 27th of September.

The trial of the Queen had progressed as far as the 21st day, the Attorney General having closed his evidence on the nineteenth.—On the application of the counsel of the Queen to be allowed time to prepare for commencing her defence, and their expressing their wish that the day for resuming the trial should be the 3d of October, the House of Lords adjourned 'till that day.

Addresses to the Queen were daily and hourly received by her Majesty.—The Ladies of Edinburgh have sent the Queen an address.—The females of Exeter have also sent the Queen an Address.—On the 12th of Sept. her Majesty received addresses—three from Exeter, one from the parish of St. Sidwell; one from Montrose; from the males and females of Leeds; from Ross; one in verse from the ladies of Bristol, with 11,047 signatures; from Carlisle, Hereford, Ipswich, &c. &c.

On the 13th of September the Captains, Mates and Seamen of the British merchant service whose vessels were lying in the river, were presented to her Majesty at Brandenburg house by a numerous deputation.

The Liverpool Advertiser of the 16th says,—“There is some reason to hope that the present pause in the legislative proceedings against the Queen may be attended with salutary effects.”

The last accounts from Spain state the interesting fact of the actual destruction and sale of the property of the Inquisition.

Admiral Sir Home Popham, died at Cheltenham on the 11th of September. He had recently returned from the Jamaica station.

Domestic Items.

The Governor of the State of S. Carolina has issued a proclamation recommending that Thursday, the 16th day of November next be set apart as a day of humiliation, thanksgiving and prayer throughout the state.

The *Canal Loan*, lately advertised was taken, on Friday, by the New-York Savings Bank, at a premium of seven and a half per cent. There were two other offers for this loan; one by the State Bank and Mechanics' and Farmers' Bank in Albany, at a premium of seven per cent; the other by the New-York Manufacturing Company, at a premium of a fraction more than six and a quarter per cent. This loan is for 112,500 dollars, and is the second Canal Loan taken by the New-York Savings Bank; the former was for 151,000 dollars, and at a premium of eight per cent.—*Alb. D. Adv.*

NORFOLK, Oct. 23.

Launch of the Delaware Ship of the Line.

Another Star is added to our naval Constellation—another Stripe for the enemies of our country is displayed—another bulwark of liberty is erected—On Saturday morning at half past TEN o'clock, the elegant ship of the line, the *DELAWARE*, embraced her destined element, amidst the roar of cannon and musketry, the acclamations of thousands of anxious spectators, and the inspiring sound of martial music. Not an accident of any kind occurred during the anxious moments of preparation for this cheering scene—all was perfect system and regularity, and she glided with the gracefulness of a Swan into the watery element, which received her safe and sound, into its mighty bosom. Nothing could exceed the ease, the elegance and grandeur with which she made her transit.

We may congratulate our country on the acquisition to its naval force of one of the finest and best ships, that ever floated. This is no assertion of our own but the opinion of the most experienced judges. The *Delaware* is one of the largest class of ships which have been constructed for our navy, of which there are only two others of the same size yet built; the *Ohio* and the *North-Carolina*.

The scene which this interesting occasion conjured into view was grand and enlivening beyond any thing we have ever beheld. The Steam boats *Virginia*, *Richmond*, *Petersburg*, and *Sea-Horse*, were all present and crowded with spectators, amongst whom were an immense number of ladies. The frigate *United States* laying at the Navy Yard—the *Alert*, Store ship and several merchant vessels were also animated with vast numbers of the assembled population: and the Navy Yard hospitably received as many as chose to seek situations within its walls to behold the gratifying and imposing spectacle.—The number of spectators, in the aggregate, could have been but little short of 20,000, a large proportion of which were Ladies and amongst which were a vast assemblage of visitors from all parts of the country round for more than 100 miles distance.

The U. S. Frigate *Guerriere* was decorated in honor of the occasion with numerous national and other flags, and responded to the salute which was fired from the Navy Yard as the ship glided from the Stocks.

On Monday last, persons were elected in all the towns of Massachusetts, to assemble in Convention at Boston, on the 15th of next month, to revise and amend the Constitution of the State. At Quincy, the venerable JOHN ADAMS was elected unanimously.—*Patriot*.

It is ascertained, that General HESTER is elected Governor of Pennsylvania, by a majority of about 2500 votes over the present Governor FINDLAY.—This result appears to be unexpected by both parties.—*ibid*.

POSTSCRIPT.

At the drawing of the *Cathedral Lottery* yesterday afternoon, nothing came out of importance—the premium prize of 2000 dollars was awarded to No. 761 the first drawn.—It was purchased by a gentleman in this City for his friend in the West-Indies.—The 1000 dollar prize is owned by two young gentlemen in Baltimore—the other prizes were variously distributed.—Our friends in the Country are reminded that the first drawn No. on the next drawing, will be entitled to *Twenty Thousand Dollars*.

In presenting to the public another Lottery to provide funds for the completion of the **WASHINGTON MONUMENT**, the managers scarcely deem it necessary to appeal to the patriotism of their fellow citizens for their support and patronage, being well assured of the respect and veneration universally entertained for the illustrious name it bears, and of their ardent desire to see the noble monument, already so far advanced, finished. Were other motives for its encouragement to be sought, they would readily be found in the peculiar nature and novelty of the scheme, by which it will be perceived that the fate of the adventurer is to be determined **IN ONE DAY**, an advantage too obvious to require recommendation.
